## A SALT LAK

Traveling in Switzerland, when about to cross a great mountain divide, bought a first-class coach ticket, and after riding some distance he noted that those who had bought second and third-class tickets received the same accommodations as himself. "How foolish for me to pay more," he though t,

But coming to the foot of a seven-mile hill the driver pulled up his horses and shouted: "First-class passengers keep your seats, second-class passengers get out and walk, third-class passengers get out and push."

So Z. C. M. I. merchandise may not always appear to be better at first sight, but it wins in the long run. Join the thousands of shrewd huyers who have learned this to be a fact, and you will soon find that you can always do best at The Big, Reliable Store,

The new spring goods in the carpet and rug department are worthy of your special attention. Headquarters for Graduating and Wedding Dresses and materiais for same.

## Liquozone acts like oxygen-acts as a tonic with which nothing else known can compare. Let us buy you a bottle to try.

which, for more than 20 years, as been the constant subject of scientific and chemical research. Its virtues are derived solely from gas—largely oxygen gas—by a process requiring immense apparatus and 14 days' time. Each cubic iach of Liquozone represents the virtues of 1.250 cubic inches

We have purchased more than a million 50c, bottles of Liquozone and given them free to the sick. During the past four months, we have spent over \$500,000 to announce and fulfill this offer. We have done this to convince the sick that Liquozone does what medicine cannot do, and we are willing to do the same with you, if you need it.

What Liquozone Is.

Liquozone Is.

Liquozone is the result of a process which, for more than 20 years, has been the constant subject of scientific and chemical research. Its virtues are lights to Liquozone, because this product and seems the past four months, we paid \$100,000 for the American rights to Liquozone, because this product the constant subject of scientific and chemical research. Its virtues are

the germs, and such results are indirect and uncertain. Liquozone kills the germs, wherever they are, and the germs, wherever they are, and the germs, wherever they are, and the germs of the blood. It is the very source of vitality, the most essential the germs, wherever they are, and the results are inevitable. By destroying the cause of the trouble, it invariably leader the disease, and forever.

All diseases that begin with fever—all inflammation—all catarrh—all contagious diseases—all the results of impure or polsoned blood.

In nervous debility Liquozone acts as a vitalizer, accomplishing what no drugs can do.

If you need Liquozone, and have never tried it, please send us this coupen. We will then mail you an order on your local druggist for a full-Germ Diseases.

These are the known germ diseases.
All that medicine can do for these troubles is to help Nature overcome the germs, and such results are indicated and uncertain Liganozone costs 50c and 51c. Liquozone costs 50c. and \$1.

CUT OUT THIS COUPON. Chicago.
My disease is...
I have never tried Liquozone, but it you will supply me a 50c bottle free I will take it.

887. Give full address-write plainly,

Any physician or hospital not yet using Liquozone will be gladly supplied for test.
